TRASH & RECYCLING CART REMINDER

Thank you for your continued assistance with trash & recycling. Trash and recycling carts may be placed at the curb the evening before the day of service. Carts must be removed from the curb by the evening of the day of service. Lids on carts must be able to close and no loose bags are allowed to be piled around the cart. Loose trash attracts birds, rodents, and can cause health issues as well as making quite a mess. Extra carts, if needed, are available through Public Works for an additional service fee, call 727-595-6889 for further information.
