The City of Indian Rocks Beach is closely monitoring the coronavirus, COVID-19. The health and safety of our residents is our top priority. City Officials are working in cooperation with our Federal, State, County, and local partners in preventing the potential spread of the coronavirus within our community at special events.

There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19). The best way to prevent illness is to avoid being exposed to this virus.

At this time the *canceling and rescheduling* of events with larger than normal attendance projections is in the best interest of our City. We value the health and well-being of our neighbors, friends, and visitors to the City of Indian Rocks Beach.

You can find the latest information on COVID-19 at www.floridahealth.gov. Any impacts to our City will be shared on our website and through our social media channels.

Health concerns or questions should continue to go to the Florida Department of Health of Pinellas County 24-hour COVID-19 Hotline at (866) 779-6121.

If you are experiencing a medical emergency, call 911. If you have, or are being evaluated for COVID-19, notify the dispatcher.
