

Indian Rocks Beach Library **Summer Reading Programs**

Mr. Richard will perform Monday, July 23rd at 11 a.m.

Friends of the IRB Library say:

"Celebrate Summer Reading with a cool event at the library!!"

Mr. Richard brings the love of music to the Library in July. The Friends of the IRB Library-sponsored program will celebrate libraries and music. Please join us at the Indian Rocks Beach Library for a fun-filled hour of strumming, sounds and songs.

Richard Peebles plays over 300 shows a year for children and their families. He played in rock bands for many years, through high school and past college.

Richard worked at Walt Disney World in Orlando, and also spent two summers as a ranger for the National Park Service in Colorado. For five years, Richard was a storyteller for the Orange County Florida Library.
