

WELCOME to the IRB Library!

The mission of the IRB Library is to provide the community, from preschool through maturity, with access to a balanced collection of books and other materials which will serve their recreational, informational and cultural needs. Free internet/wireless access for Indian Rocks Beach residents and visitors is available.

The IRB Library is staffed by a full-time librarian, and more than 20 community volunteers whom you will encounter while checking out, returning selections or browsing the bookshelves. These volunteers are mostly members of the Indian Rocks Beach Friends of the Library, a community organization which supports and funds a wide variety of library needs.

Information about joining the Friends of the IRB Library is available at the Library.
