

Hurricane Preparedness

The 2023 Atlantic Hurricane Season officially started June 1 and runs through November 30. This is the peak time of year for hazardous storms to develop that may threaten Indian Rocks Beach. All of Indian Rocks Beach is in Evacuation Zone A.

The best plan for dealing with a hurricane is to be prepared and make plans now. Pinellas County has put together an extensive list of resources available to residents on its Emergency Management website. The link to this resource is:
