

The Pinellas County Building Services Department has assumed the role of Building Department for the City of Indian Rocks Beach, Florida. All mechanical, electrical, plumbing/gas and roofing permit requests which do not require review by the City of Indian Rocks Beach may be secured from Pinellas County Building Services, at 440 Court Street, Clearwater, Florida, Ph: 727.464.3888.

Permits that require approval from the City prior to submitting to the County:

- new construction
- additions
- enclosing a garage or porch

Please fill out the Land Development Review Application and email along with building and site plan to hharmon@irbcity.com. Once the review is complete, the approved application will be sent to you for inclusion in your building permit submittal to Pinellas County. If you have questions, please contact Ms. Hetty Harmon at 863.646.4771 x 211 or hharmon@irbcity.com

Permits that will require zoning approval and flood information from the City prior to submitting to the County:

- interior remodels that includes adding bedrooms
- pools or spas
- any changes to existing permits - adding square footage or changing the building footprint
- wireless cell towers

Please email the building and site plan to hharmon@irbcity.com and you will receive approval via email which you will submit to Pinellas County along with your building permit application. If you have questions, please contact Ms. Hetty Harmon at 863.646.4771 x 211- hharmon@irbcity.com

Permits that the City of Indian Rocks Beach permits:

- driveways
- fences
- accessory structures (shed)
