

Welcome! Overdrive and Libby!

Here is how to access downloadable Kindle e-books and audio books to your library account and device.

You need: Your library card number.

Your telephone number is your password.

A device to register with Overdrive to send your materials to through Amazon

Log into the library catalog located on the library home page- [HERE](#)
<https://irb.biblionix.com/catalog/> enter you card number and phone number password. The catalog screen has a button for the TBLC libraries where you get our materials from. Select the **IRB library** from the drop-down menu and set up your preferences.

1. How to borrow and deliver Kindle books to your device.
2. Find a book you want to borrow by selecting Kindle books near the top of the site. Select borrow. You can choose the lending period if you wish. Some new titles are restricted due to demand.
3. After you borrow the title, select read now with Kindle- You will then be taken to Amazon's website to finish getting the e book. Select "Get library book" and "Deliver to your device name" (you can have more than one device).

Your Kindle reader needs a Wi-Fi connection to download the library book through Amazon. If you don't have Wi-Fi, you can use a USB stick.

If you want to read your book on more than one device use Libby! To get Libby, download the Libby app, then find the IRB library, finally enter your library card number! You are ready to go!
