Virtual Meetings – **May 30, 2024**

Session 1 - 10 a.m. | Session 2 - 6 p.m.

Pinellas County will host two virtual Project Information meetings regarding improvements to West Bay Drive. The project begins at Belleair Bridge in Belleair Bluffs and continues east for approximately 1.9 miles to the intersection of Clearwater-Largo Road in Largo. The purpose of this project is to mill, resurface and restripe the pavement, add landscaped medians and construct a 10-foot-wide sidewalk on the south side to improve pedestrian safety and connectivity for residential areas and local businesses to the Pinellas Trail. Identical information will be presented at both sessions.

Pinellas County complies with all federal, state and local laws related to persons with disabilities.
