TURTLE SEASON

Sea Turtle season runs through October 31st. Please assist us by spreading the word of the importance of respecting Sea Turtles and Hatchlings. Please have the following information readily available in your rental.

- It is against the law to touch or disturb Sea Turtles or Hatchlings
- Avoid using flashlights, lanterns, or flash photography on the beach after dark.
- Turn off or shield all outdoor lights along the beach after dark. Close drapes or blinds when interior lights are on.
- Fill in holes and knock down sand sculptures when leaving beach.
- Do not leave anything on the beach overnight. Any canopies, chairs, coolers, etc... left overnight will be confiscated.

Sea Turtle hatchlings are negatively affected by light and any obstacles on the beach could hinder their ability to find and make it to the water.

TRASH & RECYCLING CART REMINDER

Trash and recycling carts may be placed at the curb the evening before the day of service. Carts must be removed from the curb by the evening of the day of service. Lids on carts must be able to close and no loose bags are allowed to be piled around the cart. Loose trash attracts birds, rodents, health issues as well as making quite a mess. Extra carts if needed are available through Public Works for an added service fee, call 727-595-6889.
