Sample Plan

Make sure you can get out of your home quickly if there is a fire.

The best fire escape plan is worthless if your escape route is blocked. While deadlocks and security grilles deter thieves, they can be deadly in a fire. When you are in the house:

1. **Leave keys** in any deadlock, or on a hook close to the door or window, but out of reach of intruders.
2. **Make sure** that window security grilles and screens open **readily** from the inside.
3. **Make sure** that all windows and doors **open easily** for all members of your family.
