SHORT-TERM RENTAL TAX CERTIFICATION

I, _____, owner/responsible party for the property
located at:

certify that all short-term rental bookings for this property are processed exclusively through **Airbnb and/or VRBO**, registered rental platforms that collect and remit the applicable **Pinellas County Tourist Development Tax and applicable Florida sales/transient rental taxes** directly to the appropriate governmental authorities on behalf of the host.

Because the applicable taxes are collected and remitted by the rental platform for these bookings, I do not personally collect or remit these taxes and therefore am not providing a separate Pinellas County Tourist Development Tax Registration or Florida Department of Revenue tax registration for these platform transactions.

I further understand that I may be responsible for applicable tax registration, collection, and remittance requirements for any rental transactions conducted outside of these registered platforms.

I certify that the above information is true and correct.

Owner/Responsible Party: _____

Signature: _____

Date: _____

Phone/Email: _____

Supporting documentation:

- Airbnb/VRBO host account tax information showing taxes are collected/remitted;
- platform tax-remittance statement or tax report;
- screenshot of the listing/account showing tax collection by the platform; and or
- confirmation that **all short-term rental bookings are processed through the platform.**
